

## 20% Time Brainstorming Guide

1. List 5 things you wish you could do, physically, but can't.

--

2. List 5 things you wish you knew or understood, mentally, but don't. Or list 5 things/ideas/concepts that you have often wondered about.

--

3. List 5 ways you might be able to help your community.

--

4. List 5 ways you might be able to help your school.

--

5. List 5 hobbies you've always wanted to try but never got around to figuring them out or learning more about them.

--

Now, choose your favorite three from above and freewrite on each of them for 5 minutes each. Do this exercise in the spaces provided below. Use these questions to guide you:

- *What would your goal be?*
- *How would you get there?*
- *Would you need any help?*
- *How can you work on this every week?*
- *How would you use your time in class?*
